Jeff,

As our discussions reach a more advanced stage, it is important that I tell you about the dynamics at the Columbia University Medical Center. Frankly, I am concerned, and with good reason, about others having designs on your generosity.

I know you will be in Paris for the next month. I will be lecturing in Venice over the Memorial Day weekend, and believe this is sufficiently important that I can make a stop on my way back the U.S. to discuss this briefly with you.

Let me know your thoughts.

Ira
