Also what's about the little russian girl that will be with Anthony. Did she do a test?

Hey jl
So ana w has some sort of food allergy- she keep s getting random rashes
Anyhoo- she is worried about it – an allergy test is what she wants to do – but that costs 250
minimum from what I am finding
She really has no money – what do we do .. honestly its not that serious from what I can see- but she

is worries about it
Let me know your thoughts
