I was not rushing as you could see, I was almost ready when you saw me eating in the kitchen. Yesterday I got there 30min earlier, but I could read in the auditorium, today I would have to wait outside because that classroom is usually busy, I did not think of it when I said 10am yesterday. So I thought 40 min is plenty of time to get there. If you think it's silly I will be leaving an hour before.
