Thanks

J – please let's talk tmr.

I am on the train back and totally wiped out.

We had a huge complication. Ended up talking an emergency helicopter to fly to DC! (as plane was grounded).

I had a head of national security giving us a special permit to land.

Mtg started 4h late. Needed to cancel two last mtgs.

Have a headache. Beyond tired. In a full train.

Hope you are better

B

Help me get out
The foundation just isn't for me

Im supposed to talk to Boris Monday but I'm not sure he wants to spend any of his political capital repositioning me.

I need a plan and I have to not be a huge burden to Steve. He gets very sad and upset when he sees me upset and it is harder and harder for me to hide it.

I don't know what to do.
