Hello Jeffrey,
How are you? Hope you had a good weekend.
Just wanted to make sure that my calculation for saturday night is correct:

2K. - false table reservation and last moment cancelation at the Dream hotel downtown for upstairs (PHD club) and downstairs (Electric room), for Angelo - the manager for those places.

5K - for Talia Shvedova & [REDACTED] organizing work -2.5K each

\$387.00 - expencies for drinks and snacks for girls during waiting for the guests at the dream hotel. (copies of the checks will be send in separated emails)

We accepting payment in cash in following 7 days.

Thanks, and best regards,

Talia Shvedova
