josh, you asked me to share your life with you. I excitedly accepted . I shared my highs , my lows, my dreams my body. every singel part of my bodyl . you came home from work , telling me you earned millions of dollars. then fought , screamed with me over 5 thousand. you wanted peace and quiet. You demanded I share the peace but withheld the prosperity. you told me often how much i cost you., how expensivei was IT showed littel respect to the both of us. but I love you and overlooked it. you asked me to violate a basic conviction of mine and have an abortion. your mother said it would be in your best interest if i did. you now aske why you should be ashamed?.. now that it is the high holy days .. its simple you behavedjust like the GOYIM you do not respect. - after the holiday , I will be willing to share a meal.. no sex. none. I love you, my jewish studies said that at 13 you should become a man. its not too late.
