Hi Rich:

One payment is going out today for July. I prefer to send by mail if you don't mind but will put in the mail today. I generally avoid fed ex and messenger because I continue to be cost conscious.

As an fyi the check is made out to Adam and he endorsed it so you can deposit it. Seed's liability is with Adam so I need to continue to pay Adam.

As for August and September, I expect to be able send August next week pursuant to a payment I am waiting for from GE and September the following week based on a receivable from The Weather Channel.

I had originally anticipated both payments to be received by now, but our GE contact had a baby so her replacement is a bit slow and the Weather Channel invoice was dated later than originally expected hence will be paid later.

Let me know if you have any questions.

Vera

Vera informed me this morning that she has three payments scheduled for the week ending sept 14 covering july, august, september. That's the best we can do given the cash flow swings we are managing (without bank financing) and which I mentioned to both of you. Appreciate your patience.

from his cfo shows that
interest is due on the 11th of

adam has not paid july 11th or
august 11th interest
total due 12,000
