Below are the email discussions back and forth between me, [REDACTED] and [REDACTED] regarding all of the upcoming breakfasts, lunches and dinners you were to have...I have been asking about all of this since May 1...I have been emailing everyone your schedule on a consistent basis. The lunch should have been no surprise to anyone. I really thought since [REDACTED] was the one discussing Frances with you, she would, and should, have taken the ball and run with it...I did ask her outright on May 7<sup>th</sup> re Frances also handling the lunch. I need to be able to count on [REDACTED] and [REDACTED] to help handle these things. Also want to mention, in the past when we had no chef, food was always discussed the day of as what to order. ....I also know breakfast, lunch and dinner can often happen day of... it wouldn't be a bad thing to see how Frances handled preparation on the fly...similar to what today held (lunch w/Jes at noon...but then was cancelled)

Next week Jeffrey has a dinner w/Woody Allen and Soon Yi on Wed. May 9th at 7:30...at the moment it is just them, but I'll bet JE adds on...

JE probably has another dinner with Dr. Magnani and Dean Ira Lamster (of the dental school I believe) on Tuesday May 8th at 7:30...I have asked JE if he wants this to be a dinner but he did not respond...I will ask again as the date approaches...

JE has a breakfast w/Richard Wurman and someone named [REDACTED] on Tuesday May 8th at 8:15...

Did you want to talk to Frances about any of this so he is aware? Will Frances be doing breakfast;s or will that remain a Lyn or [REDACTED] thing?...

Just want to discuss now with y'all so we are prepared! I will of course send you JE's up to the minute Itinerary constantly :) I will send today around 4pm with the latest...

Response from [REDACTED] on May 1:

I think we need to see what the outcome is with Francis this week on LSJ. I believe this is his final test before we hire for real.
