Going to have to glue my cellphone to my palm . . .

Was filming a new mtv show the last couple of days and didn't have my phone on set.

I know you wanted to reevaluate after the summer, but I've been in the mix for a few good things recently (one being this new Tom Cruise film) and I'm starting to look for a new agent - would you happen to know anyone on that side of the business?

Best,

Delon

Hi Jeffrey,

Did I miss a call from you today? I saw a missed call from a private number, which means it was either you, my dad, or my mom. If it was, I'm around all night and tomorrow.

All the best,

Delon
