ok, I'll wait, we just received signed contract from Paul, however there is a large weather system over Dominican Republic, As usual, that will certainly delay any helicopter movement. is the plan to move the heli to Edwards after your LSJ departure?, I will set up Darren Rothell to fly the 407 on May 3rd after we depart for PBI, if you approve?

thank you,  
Larry

Jeffrey,  
Here is current schedule of Bell 430,.  
Bell 430 scheduled to depart South Hampton UK April 29th, Friday,  
Arrives in Savannah, GA May 14th, Monday,.  
May 15th, fly Bell 430 to Edwards / Toy store for work to begin.;  
Toy store estimates 30 days for work to be completed for interior / Paint.  
June 15th is completion date, which is date you and I discussed along,. reality tells me July 1st the Bell 430 will be in St Thomas completed in service. The early release of the Bell 407 was based on the world trip departing May 20th in the Boeing.

Bell 407 update:

I can delay the Bell 407 movement until you depart on May 3rd for Edwards prebuy,. The contract was completed yesterday, however Mike Riley from Eagle Helicopters was traveling and not able to sign the contract, should I wait until contract is signed before informing Paul the helicopter will arrive at Edwards on May 4th? Paul indicated it will take 3 days for Eagle Helicopters to get a Fly wire in place/insurance since its a Canadian company to move the helicopter after closing, Paul indicated the Helicopter must be in Canada by May 10th to start a contract,.for the new owner. I only was pushing for closing since you indicated if was ok to move the heli to Florida after we arrived in STT,.

is it OK to inform Paul of Bell 407 movement after the contract is signed? or feel him out for closing schedule ?

thank you,  
Larry
