would advise against stick shift, it limits who can drive the truck
I can smell the clutch burning from here
This truck will also be used for LCL tropical runs on St Thomas as well as
landscaping projects etc

Jeffrey,

option #1

Here are photos of Matt Mahathey"s dump truck that Carlos found,.
2008 F550 Ford dump truck 4x4 (four wheel drive).
9000 miles, 5 speed Manual transmission,.
Price \$35,000 asking, at first Carlos indicated Matt wanted \$30,000

Option #2

see new photo to compare the dump bed option,
New 2012 F450 Truck, 4X4, automatic transmission,
MSRP is \$57,000.00 which includes rebates, I will have firm price from Ford dealer
tomorrow to compare,
(The crew cab unit "without" four wheel drive is \$47,000.00 I have attached a photo also
to compare,,)

thank you,
Larry
