Will you ask Richard Axel if he would consider speaking in front of the high school assembly at Trinity one morning? They would be extremely excited to have him. The presentation would begin at 8:15. He should arrive at 7:45 if he needs tech support or 8:00 if he only needs a mic. If he is interested, I can connect him with the planer for the assembly. He can talk about anything he wants. Also, if Woody Allen would consider this they would die!
