Yes, it closed on May 29th - \$10 million in total, same as you.
Hosain is really under pressure from Khosla to close Mort by end of this week, so they can resume their Intel negotiation next week (at a much higher price, almost double).

I just landed back today in London.
Those dates might work for me - as I'm there on the 16th/17th for sure. Will come up with a few names. I will email Peter - he will definitely be able to meet you in SF on 16th-18th or in New York from the 7th before that. On an unrelated matter, I'm sending you his and my correspondence over the last 24 hours - you will enjoy his irony.
