Subject: Big N

As of this morning Big N was moved from Haul Over to Red Hook
I have spoken to Danny about the work that is to be done and he will be obtaining estimates for the in house work.

Secondly i would advise that Rich does not call Gene at Haul at Haul Over again. I spent an hour on the phone calming him down

This relationship is important to the running of the barge, there is know where else to go in St Thomas, Virgin Gouda and PR is along way to go in case of an emergency

Also we need to go back there to install the Rams

I'll forward estimates and revised scope of work once in hand
