Confirming All of the below equipment will be off by the end of the week
Strongly disagree about replacing Sheridon with Karl
Karl is a laborer only Sheridon has marine, small equipment and engineering skills, Brice has mentioned this to you before
Keep Tony yes, Peter had said he would prefer Ednor to go instead, has he spoken to you and changed his mind about this?
I am hoping that we can all come to an agreement on who shall go and who shall stay and start moving forward with employees positions and responsibilities
It is very difficult to get anything completed when we do not know who to invest time and give responsibility to
The final release date is scheduled for Thursday 6th of Sept, are we reviewing this again?
Please advise
Thanks
Karen
