Karyna currently has a flight booked on Sept 3rd leaving StT at 12:11pm, through San Juan arriving Newark at 6pm. I tried booking [REDACTED] and [REDACTED] on the same flight, but it's sold out. I currently have on hold tickets for [REDACTED] and [REDACTED] to depart STT on the 3rd at 9:20am, through San Juan arriving NY at 3:40pm. I'm wondering if you want me to book Karyna on the same flight as [REDACTED] and [REDACTED] in the morning, or have them take separate flights?(there were no other flights which left around the same time as Karyna's current flight either)

I also have on hold tickets for me, Svet and Francis to depart LGA at 7am on the 3rd through Miami, arriving STT at 1:35pm. Is this OK to purchase?
