Sultan wants to connect with you on foursquare. You should give it a try! Foursquare helps you keep up with friends, discover what's nearby, save money and unlock deals. When your friends share where they are, you'll get a message like:

*Sultan is @ Motorino Pizzeria (12th St. and 1st Ave.). Swing by and say hi!*

And if you choose to 'check in,' you'll get great nearby tips, like:

*Since you're so close to Motorino, Sultan says: It's not on the menu, but ask for the Sorpressa pizza. It's their best!*
