Jeffrey, I called several times, on your cell phone and on Sue's as well. I don't have your landline's number. So what else could I do?

Regarding reluctance: I even managed to come to NY to see you, or what did you think why I went there? The last couple of times I saw you in Paris you were just making me feel even worse instead of helping or just being kind when I was already in a bad state. Yes, I had to make other priorities. I am not the person who will introduce you to girls and I do not intend to ask you for anything. It is not as easy anymore but I would just love to see you again as I really like you.

I really tried yesterday, what can I do if you don't let me in your house? I am not skinny enough to climb between the railings. Next time.
