The universe is conspiring for us to spend more time together. Talulah's birthday party is on Nov 17th in London. I was not going to go, but now getting flack from my family that I'm a lame-oh. And I now have someone I'd like to take. ;) Want to go to London? Party is on the 17th. We could leave on the Friday, return in time for us to be back with family for Thanksgiving. Or we could stay through Thanksgiving in London. Or we could go somewhere fun after London. I'm a free man the entire week.

xoxo
