sorry i lost my patience. it has been a very long day. I appreciate you and the things that you do/ really i trust you 100 percent. thats inportant. I need to have my privacy and space . and peace and quiet. I need many things and have a lot for you to do. I will never get upset if you simply do as i ask. if I make a mistake or forget something , it is my fault and not yours. I am always there for you. the way i work is that i need to have time to work out very complex issues, when i am interrupted, or distracted by conversation , i have to start all over again, i know you want to be helpful,, to be the most helpful , you need to guard my privacy , and help insure i get quiet time, see you tmorw
