Dear Kairat, sorry for coming back to you much later than I thought due to some logistical problems for London with one of the participants. Lord Mandelson, Morits Skaugen and Jeffry Epstein will be there with me. Larry Summers unfortunately had an engagement that he could not get out of. But we can catch up with him later. I am forwarding you seperately a note from Skaugen as background. Pls confirm dinner as flight arrangements has to be made.
Warmest
Terje

Dear Terje:

It was as always a pleasure to meet you in Astana recently.

You mentioned about the opportunity to meet some renowned economists in London in the coming week. If this still the case, please let me know the details and I will try to find a suitable slot in the schedule.
