a gesture of thanks has little to do with its caloric content. that being said , jacques lang , has asked me to a lunch on sunday, if you would like to masquerade as my new asst, you may join. he is very steeped int he cultural opportunities of france

It's rather difficult to interpret your writing and even more difficult to write an answer that can be interpreted as at is, as a good Will.

There should be a misunderstanding: I thought you wanted to help me because you liked helping people with some potential, because it brings you satisfaction and amuses you, a sort of the best game ever, and not for any exchange.

And I am surprised that you didnt see the biggest thank you in the world in my eyes, i présumed you didnt care about the words, clever as you are.

You told you didnt care about the food, but if you prefer cookie to grabbing my ass, that's perfect cause i prefer this too!!!

I very much enjoy seeing you. I am perplexed. 1. you have great potential, 2, you want my help guidance advice, howver you have yet to say thank you one time, , you have yet to bring even a cookie as a good will. most times i try to explain to someone that in return for something i want , i will give , offer, suggest an exchange. the first excahnge bieng a thank you. . You are sophisitacted beyond your years, and clever, , it leaves me wondering, what i should do. because if i am able to find you an opportunity , will you say thank you, to them, or will i hear regrets. you are out of training, and it very much concerns me
