I will be dropping off an additional \$2135 to the International Center for Memorial Sloan-Kettering to pay for Yoni's other appointment. (I dropped off \$865 before) They usually take a deposit of \$3000 to start in case they want to do any additional bloodwork etc..  
They are asking if we will be paying for all of Yoni's treatment in the future and if they should send all his future bills to us?
