Hi Daphne,

I hear big changes for the better have happened there since my departure. I hope all is well with you and your family. I am sorry to be bothering you ten months after I left but I really need a favor. Believe it or not I am currently in contact with the Naushon Island Trust about a captain position. This is a private island in Massachusetts which is owned by the Forbes family. When I saw the ad for this position I could not believe it, they are looking for me. I am going out there on Tuesday and they want me to send two reference letters before I go. Any assistance you could provide would be greatly appreciated. Please give my best to everyone there.

All the best

Casey
