Thank you for taking the time today. Neil is impressive. See the email below from the head of the Australian Superannuation fund. I just wanted to thank you Jeffrey for your advice and care. I hope we can do this together.

Here is feedback from another meeting I had today regarding Eagle's View. This guy heads the Superannuation Fund (similar to a sovereign wealth fund) for Queensland Australia.

Neal, the pleasure was ours.

Candice you were right Neal is great to talk to, his perspective was different to that we normally get but consistent with what I see and very well articulated with some great anecdotes.

I am presenting at a conf in LA on Thurs, I think/hope you both may find the slides interesting (some overlap re the cost of vol with Neal's thinking). I'll send them through directly,

Thanks to you both, and I hope we all speak more often,
Damian

Hi Damian & Alex,

Thank you very much for visiting our offices today. I truly enjoyed our wide ranging chat about investments and world markets. Damian, thank you so much for taking the time to circle back to our offices and leave your book for Candice and I. I will certainly give it to her next time I see her in June (or sooner).

Enjoy your time here in NY and I look forward to our continued relationship. Candice, thank you very much for your kind introduction!

Warmest regards,

Neal Berger
