Good morning

I have met with Darren yesterday and reiterate that my first concern was to guaranty that the line of credit will be paid back and that I knew that you did more than what you had to do for keeping me out of trouble. Tell him what you want me to do as I understand that you want to have your papers in order which is normal. Thank you again for everything again. I just hope that we will still few years more to live.

It might take few more days to get all my papers as I haven't kept or not even done anything to even protect myself. I am realizing that I have been fortunate that no serious damage has happened until now. I owe you more than the money I owe you few more years of a great life

PS I know you don't like to hear the thank you word but you have given me years without seeing doctors and trusted me
