when you are there and receive his check , find out his true interest in the generators.

Greetings Mr. Epstein,

Mr. Hodge asked me to come over to Tortola to complete the transaction today.

I am taking the 11:45 am ferry. He is meeting me at the dock.

Mr. Hodge then went on to say that he would take care of the generator transaction sometime next week. I explained to him that the generators were gone, as he had indicated to me that he was not sure that he was still interested.

Respectfully,

Daphne
