Stay away

On Monday, April 15, 2013, drsra wrote:

I know this guy. He used to own 100 newspapers. Lost a lot of money on a hotel deal in New Mexico. Has Worrell Water, Hydrosecure and Living Water. Do you know anything about these companies? Apparently has a system for water purification that could be marketable. Was wondering if you know anything?

How's things? Was up in New York with Paul this past weekend. Made me think about you and wonder how you are doing.
