Hooray! Your sample is at our lab!

Dear sam,

Sample received for: sam epstein

Our lab received your saliva sample. Our technicians will now inspect your sample and prepare it for analysis. You can expect your results in 6-8 weeks. Shipping and processing times may vary due to high order volume.

While you wait, you can learn about yourself while contributing to research at 23andMe.com*. You'll want to have your login information handy to access your account.

Cheers,
The 23andMe Team

* Your survey responses won't impact your DNA results.
