April 28th you requested Rick Kahn to negotiate engine for GII, I'm told Rich is on vacation and is expected to return later this week, I have not spoken to Rich regarding this purchase, he has been out of the office.

GII requires engine install no later than May 1st.

,. we still have to schedule a borescope of the O'gara engine once Rich negotiates a price. you mentioned you are staying on LSJ for two week, that would be April 26th, after you depart LSJ, are you planning to have GII engine change completed at that time?

thank you
larry
