hi.. another matter.. You may recall, though I doubt it, that when we were recruiting Rob Boyd from UCLA , a mathematically oriented evolutionary psychologist and anthropologist who studies cultural evolution (<http://www.sscnet.ucla.edu/anthro/faculty/boyd/>), as Origins Professor, you said you would cover 2 years of a postdoc for him under Origins if he came. We offered him 3 years of such support.. He is hiring a postdoc beginning in the fall. Shall we talk soon?
