Ok, thank you. I also hesitate whether I should do the Wharton Business and Law Certificate -- unfortunately, they recently changed it so that I would not be considered a Wharton alumna anymore.

Why is UPenn more fun? Are the classes/professors better? Is Philadelphia better? During my US trip I did not get to see much of the city, I only visited Penn Law. I have seen more of Washigton DC though - and it was shabby - but I stayed on a couch in some house in park view and was one of the few white people in that area. There might be nicer spots.

If people are smarter it can only be more fun.
But what I care most about is getting a well paid job afterwards -- which one would you choose in this respect?
