Subject: Learning Garden Season kicks off in Chicago!
Mobile upload from Jamie Wirkler at 4-5-13, 8-32 PM-1.jpg

To Friends of The Kitchen Community:

Three fantastic Learning Garden builds in Chicago this week. We will build 30 this spring in Chicago, 9 in LA, and up to 15 in Colorado. This photo is from Plamondon Elementary in Chicago. I spent some time with the principal and he grateful and excited for the Learning Garden at his school.
