Subject: Re:

[REDACTED], it clearly didn't work, you either changed the ginger, changed the amount and almost no lemon grass can be seen? did you grind it. can't figure it out why it is sooooooo bad also what happened as you were supposed to get different Malt, I told you the ovaltine didn't work. what happened

You mean for the jerky? I noticed that too. It came out very differently with this drier + the steak did have a bit more fat (nicer cut). If made again at [REDACTED] I will add double amount of ginger and lemon grass. I added same recipe from island plus extra ginger and lemon grass we agreed on... I will have to add double our new/upgraded recipe for the different drier machine to achieve the spiciness you like.
