yes, you missed an opportunity that will probably never come again. It's OK you are young and silly. To model in New York is impossible, but to come visit, and see design schools I will help. Opportunity is like someone knocking at your door very softly, you must always listen for it, and open the door quickly. I understand if in your past you have been disappointed, but do not give up.

Dear Jeffrey.

I want to thank you for such a pleasant day, it was one of the most impressive days of my being in Paris. I am truly glad, that I met you, you are a very interesting person. The day we spent yesterday inspired me. And if I missed my possibility yesterday, it will be a great motivation for me to work on my mistakes today. But I **really** would like to have the opportunity to work in NY

P.S. keeping my back straight :)
