i realize you take no responsibility for anything , but blame me for everything negative . i appreciate your new skill in calling me bi polar, adding as you always do and Im not the only one that thinks so. it adds a great deal of weight to your new degree in psychiatry, . I sent you an email re our previous agreement and flying, that you have made and broken over and over, I will not , and have not intention of leaving you in the street, but will help you begin a life that does not allow for you to blame anyone but yourself for your own failures.and emotionalll driven delusional expectations of what life owes you.
