Hi Mr. Epstein;
Just wanted to give you a quick update on things here.

The landing down from the main compound is coming along, the helicopter wall is almost finished.

The cables have been run under the tile in the flagpole pool cabana.

Jules has completed a lot of the clearing by the flagpole pool and the berm across from the main compound looks much better.

We got the mirrors up by the exterior master bath--no glue!

Lots of little stuff--the grate in Sarah's office, plumbing of exterior hose bibs in machinery spaces, fan in the info center, pool cabana towel warmer, catering oven cord, got vacuum, ordered watermaker caps, got truck tires, sevice to Little C, repairs to Midnight, met with Atlanta Refrigeration, Terminix, Bosco, etc.

The Ting's had a great visit. All went very smoothly.

Met with Jeanne, Daphne, Una and Rich today--they are great and have been really helpful.

Have worked through many other items and all is going well. Hope your travels are good.

Best,

Roy & Steph
