to me

Jeffrey,

I spoke to two of the most relevant people re the project for your friend. Each one independently suggested that they would help. As you might imagine, they asked again if you were willing to come and meet privately with their sovereign wealth fund or their finance minister. I told them that I would have to get back to them as your schedule was complex. To move this along, I'm afraid this will require a face to face. I will be in Qatar with your neighbor the same time you are in Paris. He is thrilled and amazed with the advice you gave them over Christmas. Can you find time to visit? Jagland is truly looking forward to your stay. It is his wife's 60 birthday.
