Hello Jeffrey,

Cheers,

Hey all, Jeffrey's in Cambridge on the 6th and on the 27th of April. I'm out of town, but if you're around, it might be worth meeting.

Jeffrey, Ed and Hugh are working on the Center for Extreme Bionics which would probably be interesting for you.

I'm also adding Nicholas and Marvin to this thread since they're now both much more engaged at the Lab than they have been before I came and I know you know both of them.

But lets also definitely plan a trip when I'm in town and I'll try to hunt you down in NYC as well.
