Jeffrey,

Gary is asking the following:

-Price?

-would you offer some percentage of Owner Financing to appropriate buyer with large down payment?

Larry,

I think we need to hit the market with a new price that shows we are serious about selling, and I also think it would be a very smart and advantageous move if we could offer "owner financing" as that is the biggest issue any buyer will face due to age of airframe restrictions from traditional banks. Please ask Jeffrey for direction on both counts!

Thank you again,
