I have come to the conclusion that you know more than anyone but passing this along with the thought something either in the 'recent argument' section starting on pg 17 or the 'Pfd Partnership' section beginning on pg 23 might be of interest. Whole presentation was geared toward being sensitive to how the IRS attacks FLPs and reiterated so much of what I've heard from you but still was educational for me.

Also, Larry Delson came in yesterday. Delightful person-not so sure he is really looking for a job. Spends at least 3 mos a year on 3 separate trips to China and teaches morning classes at FIT either Fall or Spring.
