thanks , first i am not ninety years old. think fun, not serious, definitely not silver. you should have asked, saved yourself time, going to bloomingdales , or bergdorf, an easy but not good choice, try fresh, lively, new.

Hi Jeffrey,

I wanted to confirm you received my email from yesterday.

If any of the options interest you, email me the the album title (Vintage or Contemporary) and the photo number and I will send detailed information regarding that piece (brand, price, year made, etc.). Or if you like a certain style/design let me know and I will try to locate other similar tea sets.

Thanks,
Lena
