The controller for IGY is flying to Cabo on Monday to conduct an audit of that operation and we are concerned that she will not be on the ground in time for the discussion at 2:00. I want to ensure that all resources are available so that all of your questions can be thoroughly answered. Also, I'd like to be on the phone too so that I can listen to what is being said. That way, as/if/when you have anything you'd like to discuss with me about what you learn, I am fully in the loop. As a result I'd like to suggest that we schedule now for Tuesday morning at 10:00 am EDT. Work for you?
