Sorry for a confusion – a document that I sent you had a goal to ask for a money (amongst other issues).

Nevertheless, I sent you as it also contains some additional data points.

The goal to ask from your guys stays the same.

Specific Questions are:

- 1) Any advice re dealing with the violence in Nigeria and Pakistan? Who is perceived as influential in these problematic areas of Nigeria and Pakistan?
- 2) Who could help in mediating peace and advocating for polio vaccination in Northern Nigeria and Pakistan? How to stop violence against polio/health care workers in these areas?
- 3) Who in the middle east to approach to have them speak out in favor of the Polio campaign.
- 4) How/who can assess whether the Taliban or Boko Haram can be ok with polio eradication and if so how we avoid conflict. How to get peace workers to work across dangerous areas of Pakistan and Taliban controlled.

two intertwined goals. my guys would prefer specific asks. ie , get northern nigeria to allow, etc. or get peace workers between india and paki and taliban, this would also help nobel prize initiative, for the money asked , where would it go? and for the help asked where is its pivot point

Attached is another Polio document that a team prepared for bin Talal.

He is a friend of Bill and is also trying to help.

There is a lot of overlap with a previous document I send it to you – but just in case that it helps.

Thank you!

Boris
