Hi Jeffrey,

I hope the items I sent over this morning or the catalog contains a set you are interested in.

I wanted to touch base regarding the position. I am incredibly excited about the opportunity and I know it is something I could do very well and would enjoy. Over the past few months I've been looking for he perfect fit and have interviewed with several companies. I'm coming to the end of the interview process with 2 firms and believe there is a good chance I will receive an offer by next week. They are both great opportunitis, but my first choice by far would be to work with you. I expect I will need to accept or reject these positions by the end of next week. I know we had discussed me going on a business trip to test my abilities. I am available to do this at anytime if it will help your decision process.
