Hope all is well,
I wanted to get back to you in regards to the 90 percent vote on certain decisions

As you know, I was invited into this transaction by Jonathan as part of the negotiations I asked for and got the 90 percent majority voting on certain major decisions.

I suggest going forward that you and I split this ,meaning it would take both of us to agree on major changes ,or you and Jonathan would have to agree ,or in the last case Jonathan and I would have to agree

I ran this past Jonathan and he is ok with it as well

Please let me know if it is agreeable to you,
David
