Benny just called again to ask if i got more information and to prove his price is excellent and nobody can meet it. When I mentioned that I want him to provide the grid for 2007 he told he can't find it today and he purchased the diamonds in 2011. He also told that if he would sell to a dealer today he will get 8k more.....

Benny called to further discuss the price and confirmed that he gave the best price for you. He told that a dealer offered him 77k for the stones. He will be very happy to take the stones back, but it is very important for him to keep the friendship and money mean nothing to him. He also told that it is the a big difference in quality and cut between the stones from Sotheby's and his. Also his diamond have a triple X rating. When I mentioned that the certificate is from 2007 he answered that 2007 diamonds were at their highest price, and he bought it later. I asked to send me an email so I can get the information accurate. Benny believes that I am giving you inaccurate information...
