will probably reschedule the agencies, will see how bad it is in the morning.

so far - the only good agency (avant) didnt want to meet and talk, the ones that got interested looked pretty bad to me.

fianally [REDACTED] responded, will talk to her today about her friend. and [REDACTED] from NY will be in moscow for the fashion week - i can meet her friends here...

the agencies to which [REDACTED] referred as the best - look pretty bad. I could ask my other friend to arrange meeting with modus vivendi and president (both in her list) (like i did 2 years ago), but they had super ugly girls then and according to the website nothing has changed.
