I'm flying to cleveland and then boston. I will call you as soon as I get someplace where we can talk leisurely. I'd rather actually talk face-to-face; I want to get this situation to a place where you are as happy as I can make you given the overall construct. You are very important to me personally (I know you know that). I might be able to get myself down to the usvi at the later end of next week.
