dennis we were at 5.9. with more requested, and you at 6.1 if we requested more than in the current contract. we reduced the ppi and increased the bid in an attempt to meet in the middle on both, . I have not yet gone back, and told mr epstein his meet in the middle was rejected, I do not think it is a good idea, but if you want i will go back. at 6m i can get it signed today

From Dennis,. (Dennis gave me verbal that he thought Mr Taylor would not loose deal over 50k, that why his message indicates 6.1M,.)

Hey Larry,

I guess that means you are at 6.0 with your revised PPI with the additional items and we are at 6.1 and have conceded to let you do those additional PPI items at 6.1, which means we are letting you do more than we had previously agreed upon before and for the same price.

Is that what you are saying?
